 (Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Discussed the "article of manufacture" language in dependent claims 33-41, 43-45, 47, and 50 that caused an antecedent basis problem with respective independent claims which recite "a computer readable storage medium". Applicant authorized Examiner's Amendment to correct the language of these dependent claims in order to overcome the lack of proper antecedent basis..
